

Time to plan for Rallies

It's time to start planning on coming to a rally in your district; it's time to meet new friends, reconnect with old ones, work on those leadership skills, and learn new ideas. Registration is \$15 a person, students and advisors. Schools are not limited in the number of delegates that they may bring.

Each district chairman will be mailing information to member schools in their district. You should have this information approximately one month in advance of the rally date. Contact the chairman of your district if you have not received the information. If your school cannot attend the rally for your own SCASC district, you may choose another site. Contact the host advisor for registration information. You are reminded that rally attendance is required to become an SCASC **Honor Council**.
