Terry A. McCoy Leadership Hall of Fame

Mr. Terry A. McCoy served as the SCASC Executive Director for twenty-three (23) years. He worked tirelessly training our future leaders through the SCASC organization. To honor his commitment to our state student leaders, SCASC has developed this Hall of Fame. Advisors of member schools are asked to submit the name of one outstanding member from its student council/government who has shown the following Terry McCoy qualities. All students who are nominated will be added to the Hall of Fame each year and will receive a certificate of recognition to be given at the state convention. (Note: if the student is not in attendance at the state convention, the certificate will be given to the advisor. If the school is not in attendance, the certificate will be mailed to the advisor).

Nominee shows: teamwork, humility, courage, good listening skills, ability to think smart, respecting opinions, sharing with others, meeting deadlines, working and living with a smile on his/her face, passion, enthusiasm, strong leadership skills. Application is to be completed **on this form only**, no attachments, nothing on the back. Either print or type. Secure all signatures and mail to Lola Richbourg to arrive no later than March 1, 2012.
