

## SCASC State and District Officers (Guidelines and Expectations)

- Lead, serve and represent the state of South Carolina student councils with dignity, honor and class.
- Carry yourself in a manner that demonstrates respect for yourself, your school, your family and SCASC.
- Consider your actions so that what you do reflects a positive representation of the state and students you represent. This includes at school, at home, in the community, at conferences and on social media.
- To promote fairness during SCASC election campaigns, current SCASC officers will not endorse, like, follow or openly support any one candidate.

## SCASC District Chairman

1. Elected by their district representatives at the state convention in March.
2. Must plan and host a fall workshop (District Rally) for the schools in your district. (See District Rally Guide below)
3. Attend the turnover meeting. (Take notes and become familiar with the duties of a District Chairman)
4. Preside at all meetings for your district.
5. Promote state membership in his/her district.
6. Handle all district correspondence and preside over district elections.
7. Attend and play a leadership role at the summer Leadership Camp.
8. If possible attend the NASC conference in June.
9. Attend and play a leadership role at the State Convention in March.

Note: **Advisors must be committed to supervising, supporting, and helping the elected student to complete the task related to this position.**

### District Chair Advisors' Extra Duty

*District Chair advisors will automatically become a member of the SCASC executive board and the awards committee. District Chair advisors must attend the turnover meeting which is held on the Friday following the state convention. This meeting will be in Columbia.*

# District Rally Guide

Here are some tips and suggestions to help make your District Rally successful. You now have the awesome responsibility to have a rally that makes SCASC and your school proud. We hope you will do it right, make it big and give it class. **Also, remember that the district rallies and state convention are the major fund raisers for SCASC. Keep your cost down to help with the bottom line return.**

You will get: A startup check for \$200 (This must be returned with your final return check), a list of member schools and mailing labels for these schools.

1. Begin early – Make a plan and get as much done now as possible. Waiting until the last minute is not a good idea.
2. Delegate responsibilities, develop committees.
3. **Use your Vice Chairman and 2<sup>nd</sup> vice chairman** for planning workshops and helping with any other activities.
4. Decide on a date.
5. As soon as you have decided on a date, have your principal send a letter or an email to Mrs. Bonita Guram confirming that date. The address is [scascguram@gmail.com](mailto:scascguram@gmail.com) or 1 Hillstone Ct. Columbia, SC 29212.  
Do not proceed with any mailings until you have this done.
6. Decide on a theme.
7. Assign a committee to decorate and help carry your theme throughout the rally.
8. Assign someone from your school to **take pictures at your rally**. Send at least 5 of those pictures to Mrs. Bonita within a week after your rally.
9. Find a speaker(s) – Try to plan to use a speaker in your area for the General Session. Choose someone that you only have to give a token gift, not pay a high stipend. However, have someone who will speak on your theme and on issues relevant to Student Council/Student Government. Get someone who will speak with age appropriateness and interest.
10. **T-Shirts** –
  - If you plan to have t-shirts, try to get them donated for your staff. The cost of the staff shirts should not come out of the registration funds.
  - Be careful if you want to sell t-shirts. Make sure they are preordered and paid for before you order them. T-shirts can become a losing expense.
  - **DO NOT** require that schools order t-shirts and do not include the cost of the t-shirts in the registration fee.
11. **Registration**
  - Assign a committee to welcome the delegates, give directions and offer to help the delegates as they arrive at your school.
  - Think through and organize the registration procedures so each school can easily get their materials.
  - Try to have some type of activity/activities for the students during registration.
  - If funds allow, juice and donuts for the students would be nice.
  - It would be nice to have coffee and donuts for the advisors when they arrive.
12. **Goody Bags** - These are not required, but nice. Get donations for this. **Do not spend registration money for goody bags.** The different military branches and grocery stores are great about giving out bags to use for this purpose.

### 13. General Sessions

- Use professionalism: You may want to have speakers seated on the stage and each speaker/guest should be introduced. The guest speaker should have more introduction than just the platform guests, unless he/she requests not to do that. People seated on stage should be moved down stage when the main speaker speaks
- If you have any state officers who attend your rally, give them the courtesy of introducing them as well. Be sure to include their office in the introduction.
- The general session is also a time to showcase your school's talents: use your JROTC for the Presentation of Colors, a talented singer for the National Anthem. You could have others perform as entertainment: your chorus, your drill team, your dance team, etc. You do not want the majority of the general session to be energizers.

*Please: When the Colors are presented, it is proper etiquette for people to stand and remain standing until the Colors are posted or retired. You should announce that when you say, "Everyone please stand for the Presentation of Colors and remaining standing until the Colors are Posted/Retired." Also, Please say the pledge before you sing the national anthem.*

14. Suggested Stage Attire: Dress shoes appropriate for comfortably walking on stage, no flip flops, no denim, no shorts. Women: Pantsuits or Dress pants with nice top, dresses or skirts (at least knee length), (avoid sleeveless). Men: Suit or blazer, dress pants, dress shirt with collar, tie. NO GUM!

### 15. Workshops - (Vice Chairman and 2<sup>nd</sup> Vice Chairman)

- Have your main workshops before lunch as many leave after to get back to their schools
- Contact student leaders from schools within your district, teachers, local adults, and state officers as workshop presenters.
- Plan workshops that are student council oriented and meaningful. Stick to topics that develop leadership skills and help participants get energized about going back to their schools all fired up.
- 2<sup>nd</sup> vice chairman – Help plan middle level workshops. (These may be different from the high school workshops)
- Stress to workshop presenters that you expect a full workshop – if 30 minutes is allotted for workshops, then the workshop should be 30 minutes – not 10 minutes and then a jam session.
- Thirty minutes is long enough for a district rally workshop.
- Develop a form for students who want to do workshops to fill out with a title and description of their workshop. Make sure to ask what equipment, if any, will be needed for the workshop. Have them sign the form and send it to you. **Make sure** to have their advisor sign the form indicating they support and approve that student(s)' workshop.
- Make a list of the workshops (with brief descriptions), the presenters and their schools. Send this list to Mrs. Bonita as soon as possible.
- Plan more workshops than necessary, as there will be cancellations at the last minute.
- Decide how the delegates will be assigned to the workshops.
- Work with the District Chairman for workshop room assignments.
- Decide if it is best to let the presenters move or for the students to move.

16. Swap Shops: The session after lunch can be more of a swap shop type (giving schools an opportunity to share ideas of what they do in their schools – different projects, etc) or it can be an individualized sessions for presidents, vice presidents, secretaries, treasurers, committee chairmen, etc. led by members of your student council.

17. Advisors' meeting - While students are in workshops, Mrs. Bonita or Ms. Wendi will do an information session with the advisors, so have a place for them to meet with us. At times, there may be rallies that we cannot attend. If that happens, we will have someone to handle the Advisors' Meeting.

18. **Lunch:** *Students* – should be a pick-up ready prepared meal (pizza, chick-fil-a, etc.) This cuts down on time. *Advisors* – you may wish to give them the same meal as the students, but it would be nice for them to eat together in a separate place. If funds allow and you wish to do a nicer meal for them, that is fine.
19. **Programs :** Do not spend a lot of money on programs. An agenda in a folder is fine. That way, the students get a folder as well.
20. **Mailings –**
- Suggested mailings: Information (invitation) flyer with theme, dates, deadlines, etc., Composite form with school name, address, name of advisor(s), names of delegates, number of delegates, advisors, and state officers, food allergies and vegetarian options, price per delegate, total money being sent. (See Sample letter and composite forms below)
  - Mrs. Guram will give you a set of labels for the schools in your district and a start-up check. The \$200 start up money is to be returned after your rally. It is upfront money to get you started before registration money comes in.
  - It is important to **send a copy of all mailings to Mr. Mize and Mrs. Bonita for proofing before sending them out to the schools.**
  - Be sure to get information about your rally and registration out EARLY. Schools need time to get their participants together and get the district to cut a check.
  - Registration is \$20 per person and \$25 if late. If the school is not an SCASC member, the registration fee is \$25 per person and \$30 if late. Make sure that advisors know they must pay the registration fee as well. *Current State and District officers who attend are not required to pay.*
  - Set two weeks before the rally as the registration deadline, after that it is late. Suggestion – make a week before the rally as the final date for receiving registration.
  - After the first mailing, it would not hurt to make phone calls to follow up on some of the schools.
21. **Money** Get as many donations as possible. They may not give money, but may give services and items. Keep a record of monies and as soon as all bills are paid, send the financial report to Mrs. Guram, along with all unspent money. Remember, money from the District Rallies is used to pay for the District and State Officers to attend the NASC, camp, etc.) **\$5.00 back from each registration is the minimum expected.**
22. **After your Rally**
- \* Send a detailed financial report to Mrs. Guram before December 15. (See sample below)
  - \* Send a check with your rally return funds to Mrs. Guram before December 15
  - \* **Send Mrs. Bonita a short (3-4 sentence) write up about your rally that will be placed in the newsletter.**
  - \***Send Mrs. Bonita at least 5 pictures from your rally. Pictures will be placed in the newsletter and on the website.**
  - \*Attend the turnover meeting. Give the new District Officer your notes, your notebook, some tips and advice for what works and what does not work and any road blocks you met along the way.

This is your time to .... “Do It Right, Make It Big and Give It Class”
