## SCASC ....your association

The South Carolina Association of Student Councils was organized to develop student leadership, good citizenship, and cooperation among the student councils in the state. Membership is open to all student councils with grade levels 6-12.

## Conferences....

### District Rallies .....

The rallies are a one day workshop in the SCASC districts, hosted by the district chair's school. The program focuses on leadership training and includes workshops and a keynote speaker. Rally registration is \$20 per person (students and advisors) for member schools. Rallies are usually between 8:30 am and 2:30 pm. If the schedule does not permit you to attend the rally of your own district, schools may attend another rally of their choosing provided they register with the host school of that district.
