Freshman orientation: A themed event for the year. Summer theme, students wore bucket hats and wore whistles. Work week is during teacher inservice, students paint murals (paint theme) and some of them included teacher names in the murals and displayed these throughout the school. Everything is themed around the theme for the year, and the games are setup before the freshman arrive. Incoming students are allowed to sign or decorate an item that is displayed in the school to give them some ownership. They

include school procedures in this event (SRO, Principal, Guidance) and students also learn the fight song and how to get involved in the school. Students are grouped by homeroom teachers, and they are present to help the students navigate the event. Students get excited, they learn the theme and learn what to expect in the upcoming year.
